

Even though we believe that amateur sports is about leading a healthy lifestyle and about fun, relaxation and culture, we do reward the fastest 10 male athletes and 6 female athletes on the marathon run (42k) with some appropriate prizemoney, together with a trophy and podium ceremony for the top 6.

The top 6 (men & women) on the half marathon distance will be rewarded with trophies and sponsor gifts during the podium ceremony. The top 3 (men & women) of the 11k distance will likewise receive a trophy during the ceremony.

Please note that each participant in the event (42k, 21k, 11k) will also receive a sponsor gift, a finisher's medal and a personalised certificate
